CLERK: 37 ayes, 0 nays on the suspension of the rules.

PRESIDENT: They are suspended. It didn't escape the Chair's attention that that resolution was read when the cameras were off, too. Yes. Nice going. Good timing, Mills. You've heard the motion. Record your vote. This is all of them. I want a record vote made. Record.

CLERK: 41 ayes, 0 nays to adopt the resolutions, Mr. President.

PRESIDENT: They all are adopted. Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, I ask unanimous consent tomorrow at the end of our session that we also, on Friday, we also read the resolutions honoring those members that are retiring from this body.

PRESIDENT: While the cameras are here.

SENATOR F. LEWIS: You damn betcha.

SENATOR LUEDTKE: You don't know if we have all the labor contracts? We really should approve those labor contracts that are left. Can we get them? If we could get them, we should do it. While we're waiting, Senator Marvel, as far as the report of your committee, can that be done Friday on the interim study? Exec Board.

SENATOR MARVEL: Yes, as long as we do it Friday.

SENATOR LUEDTKE: We'll do that Friday. What other? The other controversial resolutions will be put on for Friday, and if there is time, why we'll get to them. We'll do it Friday, then. If it only takes two minutes, that is great.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, we have four labor contracts that have to do with the Department of Labor, Department of Public Institutions, Game and Parks Commission and the Department of Corrections. I move that these contracts be adopted as they are through the resolutions which were signed by the committee members that had hearings on these resolutions.

PRESIDENT: All right. You have heard the motion. Record your vote. Record.

CLERK: 32 ayes, 0 nays, Mr. President.
